Area Agency on Aging Seeks Two Advisory Council Members

The Ventura County Area Agency on Aging (VCAAA) is seeking applications from individuals interested in serving on its Advisory Council. The purpose of the Advisory Council is to recommend the direction of programs and services for older adults, people with disabilities and caregivers in Ventura County. New appointments are now being considered for terms beginning July 1, 2022.

Two seats are available. One of the vacancies is a service provider to represent the interests of older adults and people with disabilities. The service provider brings the interests of service providers and the professional knowledge of unmet needs in the community and possible solutions. The second vacancy is for an individual to represent the interests of veterans. Veterans of all ages and wars are eligible to apply. The deadline for submitting applications is April 15, 2022. To apply, please contact Jannette Jauregui, Public Information Officer, via email at Jannette.Jauregui@ventura.org or by phone at (805) 477-7306. The application will also be available on the VCAAA website at www.vcaaa.org.

By law the Advisory Council is required to have a majority of its membership 60 years of age or older and reflect the economic, geographic and ethnic composition of the County. Older adults and minority representatives are strongly encouraged to apply. The Advisory Council meets once a month six (6) times a year.
